Special to Clintonnews.com

The Clinton Community Nature Center has planned a pumpkin decorating fundraiser as part of the Oct. 16 Fall for Clinton celebration in Olde Towne.

The center will sell medium-sized pumpkins for \$10 or less at a booth at the Fall for Clinton market on Jefferson Street.

"We will be painting and carving jack-o-lanterns to prepare for Halloween and trick-or-treat time," said Nature Center director John Stark.

Residents can purchase a pumpkin at the CCNC booth next to the children's area of Fall Fest or can come by the center, 617 Dunton Road, beginning Oct. 1.

For details, call the center at (601) 926-1104.

Prices will be below \$10 for medium-sized pumpkins.

To reserve your pumpkin call 601-214-7426 or email ccnaturecenter@gmail.com.
